

STUDENT SELF-EVALUATION 2019

Name: _____

Year: _____ Sex: _____ Term: _____

Teacher's name: _____

The purpose of this self-evaluation is to provide students timely and personalized feedback regularly with the opportunity to reflect on the quality of work completed this term. This reflection will give students the time to consider grade and plan for the future. This opportunity is working positively to ensure teachers that the students have grown from the work they put into this year for the student's "best" result.

Read through each statement and select what you feel best describes you within this learning term.
