

Conjunctions

Conjunctions are words that join sentences. Choose one **conjunction** from the list below to join each pair of sentences. Use a different **conjunction** each time.

if so while although because when since but and then

She was going out to play. It rained.

.....

He went to the cinema. He saw an adventure film.

.....

We decided to go to the beach. The sun shone.

.....

My friend came round. We were able to play together.

.....

You came to visit me. I was ill.

.....

Write sentences of your own, and use the conjunctions left over from the exercise above.

.....

.....

.....

.....

.....
