

Name \_\_\_\_\_

Five Senses  
Touch and smell

# Hands Down!

We touch with our hands.

We smell with our noses.

Cut.

Glue.

|  touch |  smell |
|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
|                                                                                         |                                                                                           |

 Draw.

I like to touch...

I like to smell...
