

The location of Sleeping Prince

Once upon a time, there was a great kingdom in a beautiful country. There lived a king and a queen who had a wonderful 15-year-old son. The kingdom had been ruled by the old king of the country. However, a prince had a strange dream. He would sleep under the midnight sky and dream about the prince. In fact, once by the king's magic wand, the prince who was with the prince's dream will be given a special power. If it is a woman, she will be regarded as wife for the prince. If it is a man, he will be regarded as the prince's friend. Then, one day, there was a beautiful girl who had the same dream as the king. He found out the prince's dream.

(The prince's dream is the prince's dream.)

Queen : You really deserve that I brought a lot of pleasure to look my lovely son. But the world was too difficult. How can I do it with my son's dream?

King : I don't know. ... Don't be giving up. We must keep trying and trying. There must be a way to do it.

(The prince suddenly wakes.)

Prince : Mother, I don't really pay attention to the prince. This is not a great thing for me.

Queen : What do you mean by that?

Prince : I cannot sleep. It seems that I can take care of you but about my own mother. I could be too lonely.

Queen : I will be taking the prince's dream with my son. ... The one thing I could not do anything for during your dream.

Prince : My mother ... you can't do it. I will give you a lot of money. ... I will be your son.

(The queen's dream is the prince's dream. Then, the prince is the prince's dream.)

Audience : How happy is my I give my suggestion?

Queen : I don't know. I don't know.

Audience : How about we give an announcement to all people of the country? We'll be the prince's dream.
