

Name _____

roll it! make it! expand it!

Roll the dice, write down each number. Use the hundreds, tens and ones chart to expand the number equation.

Roll It	Make It	Expand It							
<table><tr><td>2</td><td>3</td><td>6</td></tr></table>	2	3	6	<table><tr><td> </td><td> </td><td> </td><td> </td></tr></table>					$200 + 30 + 6 = 236$
2	3	6							
<table><tr><td></td><td></td><td></td></tr></table>									
<table><tr><td></td><td></td><td></td></tr></table>									
<table><tr><td></td><td></td><td></td></tr></table>									
<table><tr><td></td><td></td><td></td></tr></table>
