

Name _____

roll it! make it! expand it!

Roll three dice, write down each number. Use the hundreds, tens and ones chart to expand the rolled number equation.

Roll It	Make It	Expand It							
<table><tr><td>2</td><td>3</td><td>6</td></tr></table>	2	3	6	<table><tr><td> </td><td> </td><td> </td><td> </td></tr></table>					$200 + 30 + 6 = 236$
2	3	6							
<table><tr><td></td><td></td><td></td></tr></table>									
<table><tr><td></td><td></td><td></td></tr></table>									
<table><tr><td></td><td></td><td></td></tr></table>									
<table><tr><td></td><td></td><td></td></tr></table>
