"Conjunction Junction"

Answer highlight or underline **4** different conjunctions in this song.

Conjunction Junction, what's your function?

Working words will always combine.

Conjunction Junction, how's that function?

Just connectin' em.

Just gettin' em together, that's

Conjunction Junction, what's their function?

Just "and", "but", "or", "for".

They're gettin' em all

puttin' 'em

That's an addition, (isn't this addition?)

"But"

That's subtractin' em.

"And" includin' that.

And that's what we

do. It's connectin' em.

"Or" is that.

"For", "but", "and", "or",

are you gettin' it?

Young Conjunction Junction, what's your function?

Workin' words together, connectin' 'em together,

With and with, but and but, or, for, and.

Hey that's what

we do, we do, diggin' and connectin'.

Connectin' em and connectin' em.

We're gettin' em all, we're gettin' em.

Hey that's how we

Conjunction Junction, what's your function?

Workin' words to and

other words connectin' em.

"I like connectin' "

em together.

"And that's how we

Hey that's what

we do, we do, diggin' and connectin'.

Connectin' em and connectin' em.

Hey that's how we

Conjunction Junction, what's your function?

Workin' words and connectin' em.

Just connectin' em and connectin' em.

Workin' words together.

Put the letters around you any higher:

Let's go back to connectin'.

It's time to connect.

My friend, please say "Thank you".

It's all connectin' em.

Conjunction Junction, what's your function?

Workin' words and connectin' em.

Hey that's what

we do, we do, diggin' and connectin'.

Connectin' em and connectin' em.

Just connectin' em and connectin' em.

Workin' words together.

Just connectin' em and connectin' em.

Conjunction Junction, what's your function?

Workin' words and connectin' em.

Conjunction Junction, how's that function?

Just connectin' em and connectin' em.

Conjunction Junction, what's their function?

Just connectin' em and connectin' em.

Conjunction Junction, what's your function?

Just connectin' em and connectin' em.

Conjunction Junction, what's your function?

Just connectin' em and connectin' em.
