Christmas Shopping

Since it is nearly Christmas and you have a little extra money on hand, you thought it would be nice to get your friends and family some gifts for Christmas.

It is a good idea to ask people what they want for Christmas so you do not give them unwanted gifts. You already asked your family members and your list is below. It is also a good idea to ask for a couple things so you can compare the prices of the different items. Remember to not over spend and keep your bank balance in mind!

Go to the shops and do your shopping. You may need to shop at several different stores to buy everything that your friends and family have asked for. Record the prices for each item and where you found it so you can compare.
