## Abe Lincoln's Groceries

*(Born February 12, 1809)*

When Abraham Lincoln was a young man, he worked in a store in New Salem, Illinois. Use the prices in the box below to figure out how much he would have sold these groceries for. One has been done for you.

 10 cents	 16 cents	 31 cents
 13 cents	 23 cents	 50 cents

Example:

	10 cents	+		31 cents	41 cents
---	----------	---	---	----------	----------
