

Welcome to Sunshine Math Superstars!

A few things to remember...

- You just received your packet of the worksheets for the Math Superstar program last week. Please try to complete and return each **worksheet by the Wednesday** of each week (see schedule below).
- Please write your first and last name as well as your teacher's name.
- Remember, some of these questions are meant to challenge you above your grade level to help show you ideas you will learn later. For this reason, we encourage you to **ask for help** whenever you need it to solve a problem.
- There will be a prize reward in Nov. for students completing at least 10 worksheets by Nov. 3rd and in Feb. by completing at least 18 worksheets by Feb. 2nd. In May, we will award certificates of participation to those students completing 18 or more worksheets and medals to students completing all 25 worksheets.

Thanks for being a part of Sunshine Math Superstars!

Becca Lacy & Jenny Brewer
