

Day 1: Cyber Safety

Library	Orientation Unit	Grade	9 - 12
CSLA Standards	8.3.1 Shows positive social behavior while using information and communication technologies. 8.3.2 Demonstrates legal and ethical behavior while using information and communication technologies. 8.3.3 Understands the consequences of inappropriate and illegal use of information and communication technologies.		
Objective	Students will understand what an online "social network" is. Students will explain the appropriate way to behave in a social network. Students will know how to adjust their privacy settings in a social network.		
Material Needed	Social Networks PowerPoint Characteristics of Social Networking PowerPoint Bulletin Board Video That's Not Cool Video Profile Penalty Video (Grid Iron Man) Privacy Setting PowerPoint Poster Project Instructions PSA Instructions RU Cyber Safe flyer		
Instructional Plan	<i>"Today we're going to begin our discussion of social networking. Let's see how many social networks you can identify in the following PowerPoint."</i> Show Social Networks PPT. <i>"What do you think defines or characterizes a social network?"</i> Students discuss.		
Activity 1: (4 min)	<i>"Let's look at a more formal description of a social network."</i> Show Characteristics of Social Networks PPT <i>"What social networks do you use? How many of you use Facebook? MySpace? Twitter? IM? High 5? Delicious? Photobucket? Flickr?"</i> Take informal poll of what social networks students are using.		
Activity 2 (10 min)	<i>"From the list of characteristics seen in the last PowerPoint, you can see that not only do social networks provide a lot of opportunities for</i>
