

Working with PREFIXES

Name _____

re- (again)

Find it, Frame it

Go on a word hunt. How many "re-" words can you find? Write the words in the frames.

Trace it

Use a dictionary or thesaur to trace the re- words. Make the prefix and root word different colors.

remake	make	reapply
build	resend	retake
rebuild	react	send
tell	apply	reshape
repaint	retell	start

Define it

Use what you know about the prefix re- to write your own definition of the word.

reheat - _____

Roll it, Write it, Circle it

Circle the root word.

remake	retake
reheat	replace
rebuild	retell
