Fact Families

Write your own fact families!

A house-shaped template for writing fact families. The roof is a triangle, and the body is a rectangle. On the left side of the rectangle, there are four small plus signs (+) and four minus signs (-) arranged vertically. Inside the rectangle, there are four rows of math problems, each with a plus sign and a minus sign. Each row consists of a blank line followed by a plus sign, a blank line, a plus sign, a blank line, and an equals sign, followed by a blank line. The same structure is repeated for the minus sign.
