

Beep, Beep, Beep

(sung to the tune of "Mary Had a Little Lamb")

Smoke alarms say "beep, beep, beep,
"Beep, beep beep, beep, beep, beep."
Smoke alarms say "beep, beep, beep"
When there's smoke in the room.

If there's smoke, get down and crawl,
Down and crawl, down and crawl.
If there's smoke, get down and crawl,
There's fresh air near the floor.
