

Checking Account

A. Reading

Rene is engaged to her boyfriend Kyle. They plan to get married in May, and they are celebrating it with a month-long wedding and honeymoon. Kyle wants to open a joint checking account in both of their names, but Rene wants the like having her own bank account. She has a savings account and a checking account, and she doesn't want another account. Kyle is thrilled with his money, and if she opens a bank account with him, he might not have to explain why she withdrew money from the account the night before. How will the bank's computer automatically take their account? Kyle thinks that Rene doesn't want him. He says they can't get married if the bank won't let them. What should Rene do? Should she open a joint checking account with Kyle?
