

sad	happy	nervous	excited
upset	frightened	bored	angry
embarrassed	hungry	because I have a test today.	because I have nothing to do.
because today is my birthday.	because I'm going to see Super Junior.	because I didn't have breakfast.	because she saw a ghost.
because I forgot her name.	because the neighbors are noisy.	because I had a fight with my friend.	because he lost his cell phone.
