

The job interview

The job interview is very important. Before you go there you must think of a lot of things. You should know about the company, the people who work there and the job. You should also think about the questions that you will be asked. You should also think about the things that you will say. You should also think about the things that you will do. You should also think about the things that you will be asked to do.

Remember: think about the questions that the interviewer will ask.

Remember: think about the questions.

Remember: think about the questions.

Can you tell me where the bank is?

Where's the bank?

Do you have a pen?
