

## Parts of speech worksheet

When a sentence is split up into its individual parts, the exercise is called 'parsing' – this is what your grandparents did in school all day! Try it yourself – can you beat your Gran in parts of speech?

Your turn now – have a go at 'parsing' these sentences.

Oliver climbed the massive tree, but then got stuck.

Running along the sand, Susie found a tiny starfish.

My Dad bought me a brown and white hamster for my birthday.
