# Modern Color Mixing

Name

Go to http://home.att.net/~RTRUSCIO/COLORSYS.htm and click on links to complete this.

Subtractive System
Primary colors:
C =
M =
Y =
Mix to
K =
Secondary colors:
R =
G =
B =

(Venn diagram: M, R, Y across top; B, K, G in middle; C at bottom)

Bonus: Where is this used?

Additive System
Primary colors:
R =
G =
B =
Mix to
W =
Secondary colors:
C =
M =
Y =

(Venn diagram: R, Y, G across top; M, W, C in middle; B at bottom)

Bonus: Where do you find this system?
