

Excuses excuses !!

I tell you what we've got more gumph than those stupid Spanish

Courage and guts, braving that buffone
for that out witted
those brownless

PARTY TIME!

Our ships were made much swifter and lighter than those Spanish 2 ton log boats!!

Our wonderful English SW gales breezed us to success

My brill swash buckling idea to use fire ships worked wonders on those spaniards

Lord Howard of Effingham (commander of the English fleet 1588)

Those poney English were to scared to fight man 2 man and resorted to fire the cowards!

That poxy... English weather was against us!

Our ships were definately better our men more strong and and.....

It was partly my fault but you know how much luck those English get

The Armada split up in strange waters, it was out of my control.

Duke of Medina Sidonia

That horrible English gales set us off course
