

Circle the letter you hear at the beginning.

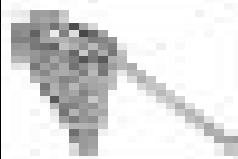

|                                                                                   |           |
|-----------------------------------------------------------------------------------|-----------|
|  | h d p b m |
|-----------------------------------------------------------------------------------|-----------|

|                                                                                   |           |
|-----------------------------------------------------------------------------------|-----------|
|  | a s b d p |
|-----------------------------------------------------------------------------------|-----------|

|                                                                                   |           |
|-----------------------------------------------------------------------------------|-----------|
|  | s c z w l |
|-----------------------------------------------------------------------------------|-----------|

|                                                                                    |           |
|------------------------------------------------------------------------------------|-----------|
|  | h v j c k |
|------------------------------------------------------------------------------------|-----------|

|                                                                                     |           |
|-------------------------------------------------------------------------------------|-----------|
|  | s v t m b |
|-------------------------------------------------------------------------------------|-----------|

|                                                                                     |           |
|-------------------------------------------------------------------------------------|-----------|
|  | m f a s n |
|-------------------------------------------------------------------------------------|-----------|
