Capitalizing Days and Months Worksheet

Capitalization is the writing of a word with its first letter as upper case and the remaining letters in lower case. Capital letters are used to start sentences and identify proper nouns.

Directions: Re-write each sentence and capitalize all days and months correctly.

Example A: My birthday is in the month of june.

Answer: My birthday is in the month of June.

1. On monday, we will go to the library.

2. We will play basketball every wednesday in the gym.

3. The new year starts in the month of january.

4. School gets out in the month of june.

5. thursday, friday and saturday are my favorite days of the week.

6. Valentine's day fall in the month of february.

7. Independence day is in the month of july.
