

A SATURDAY AFTERNOON IN MY FAMILY

Today is Saturday. It's hot outside in the afternoon. My dad is sitting in the living room and reading a book. He usually reads books on Saturday. He likes reading detective stories. My mom isn't sitting in the living room. She is driving a car. She often meets her friends on Saturday afternoon. They go shopping or go to the cinema together. My brother is spending his time in the garden. He is playing football with his friend. They are enjoying themselves a lot! My brother is younger than me, he is seven years old. He always wants his friend on Saturday and they like playing football and basketball. Dad & I are waiting for my grandparents. They sometimes come at the weekends and we go for a walk or stay at home and drink tea. I don't like tea very much, I prefer apple juice. I'm drinking it now. What a lovely Saturday afternoon!

Read the sentences. True or false?
