Personality Tests

Look at the following words used to describe personality and character. Which words have positive meaning and which have negative meaning? Put them into the correct column.

+	−	+/−

clever	hardworking	helpful	lazy	kind	naughty
stupid	brilliant	stubborn	annoying	fun	creative
funny	boring	happy	quiet	arrogant	energetic	sleepy
mean	rude	good	angry	crazy	careless	keen
careful	slow	dumb	smart	quick	messy	clean

Choose five words that you think describe your partner.
Ask your partner to guess which words you have chosen.

Work in groups of four. Each of you must choose one of the tests and do this test on the other people in your group. The analyses are on the next page.
Do the analyses accurately describe your partner?
