

Teeth and eating

Name.....

1. Draw lines from the three labels to the correct teeth.

2. Then imagine the teeth pictured are your teeth. Colour in the teeth that have fillings. Mark each tooth on the picture with:

- an M if you have a milk tooth in that position
- an A if you have an adult tooth in that position
- a G if you have a gap (a tooth missing) in that position

Incisor tooth

Canine tooth

Molar tooth
