She sells sea shells by the sea shore

She's selling shells by the sea shore

She sells sea shells

By the seashore  
And the shells she sells  
Are sea shells I am sure.

---

She sells seashells by the seashore,  
The shells she sells are sea shells,  
I am sure that is so,  
For she sells seashells by the seashore,  
The shells she sells are sea shells,  
I am sure that is so.

---

She sells seashells by the seashore

---

She sells seashells by the seashore

---

I sell sea shells by the sea shore  
I sell sea shells by the sea shore

There's a fisher who lives in a house by the seashore,  
His name is Fisher and he lives by the seashore,  
His name is Fisher and he lives by the seashore,  
His name is Fisher and he lives by the seashore,  
His name is Fisher and he lives by the seashore,  
His name is Fisher and he lives by the seashore.
