

Please have your child practice reading the story to you every night. Please log your child's progress on the card below. I will keep a weekly log of your child's reading fluency progress. Monthly goals will be set with your child, and we will celebrate when these goals are met! Each child will have a goal related to his or her individual needs.

The best way to do this is reading with your child is by using a timer to read (use a kitchen timer or phone timer, or a sand timer, or a watch, etc.). Make this time your special time with your child, and enjoy watching your child's eyes light up as they become better readers! It is our hope to see children improve as they practice reading each night!

The Olympics

By Robert Fernald (Illustrator: Sergio Fajardo) | Student | 1st Grade | 100% | 100% | 100% | 100% | 100%

Ancient Greece was the place where the first Olympic games were held.	12
Only men were allowed to participate in the games. Not all men were allowed to participate in these games. Only Greek men who were free and could speak Greek could participate. Today there are many sports represented in the Olympic games. However, back then only a few sports were represented in the Olympic games. The sports in the ancient Greece Olympic games included "discus throwing, javelin throwing, wrestling, running, and chariot (harness) racing." There are all summer games. Winter games were never held during the ancient Greece Olympics.	25 37 48 60 72 80 90 100
We have both summer and winter games in the modern Olympics. Figure skating, skiing, and bobsledding are only a few of the winter Olympic games we are enjoying watching. In ancient Greece, the Olympic games were always held in Greece, but now they are held in different countries.	112 124 134 147

Complete any questions to discuss with your child.

1. Where were the first Olympic games held?
2. Who could participate in the first Olympic games?
3. Describe how the Olympic games have changed.
