## Contents

Introduction .....	5
<b>The Language of Algebra</b>	
Order of Operations .....	6
Expressions .....	7
Equations .....	8
Writing Expressions and Equations .....	9
Properties of The Four Operations .....	10
Distributive Property .....	11
Inequalities .....	12
Word Problems .....	13
<b>Integers</b>	
Integers .....	14
Opposites and Absolute Value .....	15
Add Integers 1 .....	16
Add Integers 2 .....	17
Explore Subtraction .....	18
Subtract Integers .....	19
Add/Subtract Roundup .....	20
Divide a Sum or a Difference .....	21
Zero and One .....	22
Multiply Integers .....	23
Divide Integers .....	24
Integer Problems .....	25
Powers With Negative Base .....	26
Integers Reminder Sheets 1 .....	27
Integers Reminder Sheets 2 .....	28
<b>Solving One-Step Equations</b>	
Solving Linear Equations 1 .....	29
Solving Linear Equations 2 .....	30
Addition and Subtraction Equations .....	31
Multiplication/Division Equations .....	32
More Practice .....	33
Equations Situations .....	34
