

**THE UNIVERSITY OF ALABAMA IN SYSTEMS**  
**INTEGRATION OF BUSINESS AND INFORMATION SYSTEMS** - 18

-continued-

1. **What are your major concerns about information systems and their impact on your business?**

**Response:**

I don't know much about it, but I do know that it's important to have a good system. I don't know what you mean by "information systems" and I don't know what you mean by "business".

**Issue:**

The student has a general idea of what information systems are, but does not know what they are.

**Clue:**

I don't know much about it, but I do know that it's important to have a good system. I don't know what you mean by "information systems" and I don't know what you mean by "business".
