Principles of Design Worksheet

Name _____

Not all experts agree on the number or classification of the Principles of Design, but on the whole, each theory is similar enough to gain a good understanding of what the Principles of Design are all about. We will use your textbook as we study about this concept. According to your textbook, the Principles of Design are:

Unity
Variety
Emphasis
Rhythm
Movement
Balance
Proportion
Pattern (Repetition)

You already; know what these words mean as they relate to your life so far. Now, we will apply these words to art. Use your textbook (pages 166-204) to complete this worksheet.
