

Earth Day Equation Hunt 2

Name: _____ Date: _____

Use two of the numbers under the kids to make the equations true.
Write the numbers in the boxes. Circle the addition or subtraction sign.

$$\square \begin{array}{c} + \\ - \end{array} \square = 1$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 2$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 3$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 4$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 5$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 7$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 8$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 9$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 10$$

$$\square \begin{array}{c} + \\ - \end{array} \square = 12$$
