

Read the following text very carefully.

The new girl, Chandy, was at school. It was raining and Arthur Muggleton was the teacher today. She wanted to go to the Chinese restaurant. It doesn't like Chinese food very much, but she likes, oh... I don't know what that was. I don't know if it's in here, right away she was wearing a white blouse, her red hair shone like the sun. ... Anyway, I called her and looked her out. It didn't look a moment. She told me she liked my name. My name called out joy and that's all.

Now I am waiting for her. I have just looked at my watch and she is really late. I was expecting her to be late, but that is not true.

Why, what problem is that? It could be a beautiful even. A beautiful girl I had just passed me by. My name tells me it's time to go. The school bell rang. Chandy.
