| Name   |
|--|
| Hundreds Chart-More than/Less than   |
| Use your hundreds chart to fill in the empty boxes. Write the numbers that are 10 more than, 10 less than, 1 more than and 1 less than the number in the center box. |
| Example 33   |

| Example 33    1 | 20 | 29                 |
|-----------------|----|--------------------|
| 38              | 50 | 19                 |
| 16              | 82 | I love<br>numbers! |
