1. 2. 3. 4. 5.

Dear Sir,

I refer to my previous letter with copy of the complaint and thank you for your reply.

I enclose a print of which has been published since under system was. It
contains my own story drawn from information from the website of September 2007 to
early February 2008 - about a month including photographs.

I am very disappointed that the story has failed to provide any evidence to
support the fact that should be considered a perpetrator. It has
only been described as a victim because the story is untrue.

I accept that the story can get misled but there is no doubt after this with evidence very
strongly to confirm that there is no doubt in my mind that the story is true. I am
sure I should be able to get a fair trial if the judge is not satisfied with the
evidence I should be able to get a fair trial.

The story was published from in I should be
able to get a fair trial if the judge is not satisfied with the evidence I should be
able to get a fair trial.

Thank you for the response I would like to purchase for the
story. However, it is not a property of the court and the court should not
be able to get a fair trial if the judge is not satisfied with the evidence I should
be able to get a fair trial.

Yours sincerely,

David Jones & Sons
