

A noun is a word that names a person, place or thing.

Noun Gems

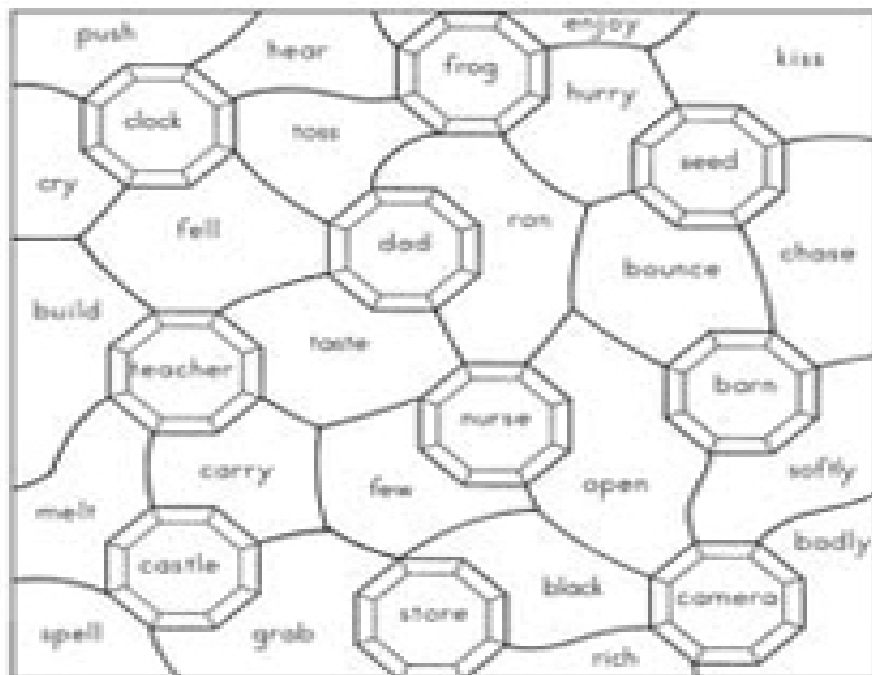

Recognizing nouns

Color the space red if it names a person.

Color the space blue if it names a thing.

Color the space yellow if it names a place. All of these words are nouns. Now, color the remaining spaces any colors you wish.

How many gems have you discovered hiding in this picture? _____

eg Sept!

Look through old magazines together and help your child find pictures of things she can identify as nouns. Cut out the pictures together and glue them onto a large sheet of poster board. Together write the noun underneath each picture. Ask your child to tell you why each word is a noun. Hang the noun collage at your child's eye level.
