

Essay Worksheet

When answering the questions you need to give examples by referring to the appropriate line numbers in the essay.

1) Overall what did you think of the essay?

2) Did it...

...address the question?

...demonstrate understanding?

Was some of the information incorrect?
Were some points unclear?

...critically evaluate?

...include a clearly developed argument?

... use evidence?

Did it back up its claim with research evidence?
