

The ABCs of Art By McGillis

# UNITY

UNITY DEMS WHAT THINGS HAVE IN COMMON, HOW THEY ARE ALIKE.

UNITY IS THE THING THAT JOINS THE PARTS TOGETHER.

SAMENESS... ONENESS...

Uniforms show we are joined as a team.

Students

wait people

Nurses

Police

In art, the elements work together, fit together, in the artwork so it looks complete (some art looks more unified than other art).

Unity (more colors)

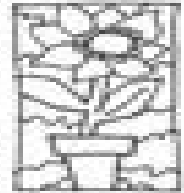

Repetition of line, shape or color can unify an image.

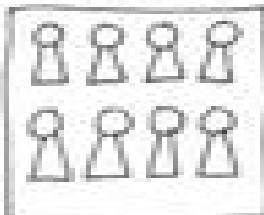

Shapes unify.

Color unifies.

Repeating colors unify.

Uniforms - united by size and shape

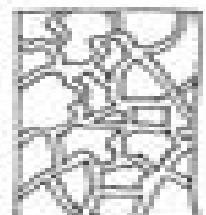

Not uniform, or unified, or united!

When people join hands and unite, they become stronger.
