

This handwriting practice sheet is designed for learning the number 8. It is organized into three horizontal rows, each defined by a top solid line, a middle dashed line, and a bottom solid line. The top row contains five dashed '8's for tracing. The middle row begins with a dashed '8' on the left, followed by four solid black dots positioned on the top solid line. The bottom row contains five solid black dots, also positioned on the top solid line. The remaining space in each row is left blank for independent practice.
