

Soft and Hard G

Rule:

- When g is followed by e, i, or y, the sound g is soft.
The soft letter "g" sounds like an "j" as in jelly.
- When g is followed by other letters, the sound g is hard.
The hard letter "g" sounds like a "k" as in gold.

1. Write the correct word under each picture, then colour the pictures which has soft g sound.
