# Career Research Worksheet

**Florida Community College**
**Career Development Centers**

This worksheet is an excellent way to organize the career research process. It is a useful activity for those interested in gathering specific information about different fields before making a career decision.

1. List the name of occupation you are interested in pursuing:

2. How many hours would you have to work per day and per week in this occupation?

3. Describe the working conditions for this occupation (for example, indoors, outside, evenings, weekdays):

4. What major or educational training would you need to enter this career field?

5. What beginning salary could you expect to start with in this field?

6. List other occupations related to this one:
