

Holes Theme Activity: What I Learned

When we are young, our parents read us fairy tales to teach us right from wrong. In *Holes*, we have many of the elements of a fairy tale. There is magic, and a message. Use the table below to record lessons you learned, and lessons Stanley learned.

Note: write in complete sentences and fill in all the boxes.

Lessons I learned	Lessons Stanley learned
I learned not to judge a book by its cover.	Stanley learned to always tell the truth.

* Now choose one of the lessons you learned and write a 4-5 sentence paragraph with information from the book explaining it.

* Pretend you're Stanley. Choose one of the lessons he learned and explain it in his words.
