

Island of the Blue Dolphins Quote Book Responses

Each day you will be given a quote from your reading to respond to. Use the following questions to write meaningful responses.

- What is the context of this quote?
 - What is being described?
 - What is Karana referring to in this quote?
 - How does this quote fit into the events of the chapter?
 - What do you think Karana is thinking or feeling?
 - Could this quote have any other meaning?
 - What can you learn from this quote?
 - How does this quote relate to real life?
 - What message is the author trying to convey?
 - Is this quote an example of figurative language? What type? (simile, metaphor, personification). Explain its meaning.
 - Can you make any predictions based on this quote?
 - How does this quote show how Karana has changed?
- To write thorough and meaningful responses, be sure to answer a combination of these questions when responding.
