

My Family and Their jobs

Molly, I am Molly, I live in England with my whole family. I am 10 years old and am a student in the elementary school. My father, Peter, is 40 years old and he is a politician. He is a very brave man. It always has to be my mother, Samantha, is 38 years old and she is a teacher. She's really teacher, because she works in other school, but she is a very good teacher and she is very intelligent. I have got two brothers and one sister. One of my brothers, Tom, is 25 years old he is an engineer. He is also very brave. My other brother, Matthew, is 18, he is a student of law at the university, but he works as a waiter at the weekend. My sister, Ella, is 16 years old. She is studying at the high school. She is a very good student and she likes swimming sports a lot. She has two dogs and one cat. Her house is very big.
