

# Compound words

Some words are made up of two other words. When two short words make one long word, the long word is called a compound word.

Write the two words without a space between them to make one compound word, like this: head + rest = headrest.

lamp + post = lamppost

her + self = \_\_\_\_\_

milk + man = \_\_\_\_\_

hand + bag = \_\_\_\_\_

foot + stool = \_\_\_\_\_

Draw lines to join up these compound words.

foot card  
ham cake  
post ball  
pon self

play school  
school post  
post tea  
tea spoon

bag man  
spoon ground

Now write a list of the compound words that you joined above.
