Simple and Compound Sentences Worksheet

A simple sentence has one subject part and one predicate part.
A compound sentence has two or more simple sentences joined by **and**, **or**, or **but**.

Directions: Read each sentence below. If it is a simple sentence then write simple sentence. If it is a compound sentence, write the sentence and add a comma.

Example A: Sarah walked in the library.

Answer: simple sentence

1. John went to the show but he forgot his wallet.

2. The basketball players stretched before the game.

3. The team will play together or they will lose the game.

4. The class is quiet during the test or they will not pass.

5. My mother makes me breakfast in the morning.
