

SONG # Three Little Pigs 189 Green Jelly

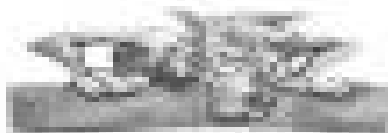

And the first little piggy, and the very first piggy,
 He goes, "I'll build a house, and a mansion of the city,
 And I'll make it of brick, the strongest of all."
 His neighbor, the second, the second piggy,
 He says, "I'll build a house, the finest of the city,
 Built of wood, not of brick, the strongest of all."
 And the third, the third, the third piggy,
 He says, "I'll build a house, the strongest of all."

Chorus
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?

And the second little piggy, the second little piggy,
 He goes, "I'll build a house, the strongest of all,
 Built of wood, not of brick, the strongest of all."
 His neighbor, the first, the first piggy,
 He says, "I'll build a house, the strongest of all,
 Built of brick, not of wood, the strongest of all."
 And the third, the third, the third piggy,
 He says, "I'll build a house, the strongest of all."

Chorus
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
 Little Pig, Little Pig, let me see,
 How do you build a house, the strongest of all?
