

SONG # Three Little Pigs 189 Green Jelly

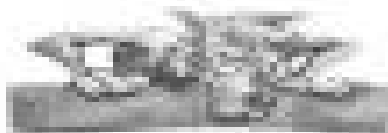

And the first little piggy, and the very first piggy,
 He goes, "I'll build a house, and a mansion of the city,
 And I'll make it of brick, the strongest of all."
 His neighbor, the second, he says, "I'll build a house,
 Not a mansion of brick, but a mansion of the city,
 And I'll make it of straw, the strongest of all."
 And the third little piggy, the very last piggy,
 He goes, "I'll build a house, and a mansion of the city,
 And I'll make it of wood, the strongest of all."

Chorus
 Little Pig, Little Pig, let me see,
 How you'll build your house, and a mansion of the city,
 Little Pig, Little Pig, let me see,
 How you'll build your house, and a mansion of the city,
 Little Pig, Little Pig, let me see,
 How you'll build your house, and a mansion of the city,
 Little Pig, Little Pig, let me see,
 How you'll build your house, and a mansion of the city.

And the second little piggy, the very second piggy,
 He goes, "I'll build a house, and a mansion of the city,
 And I'll make it of straw, the strongest of all."
 His neighbor, the first, he says, "I'll build a house,
 Not a mansion of straw, but a mansion of the city,
