

SONG # Three Little Pigs 189 Green Jelly

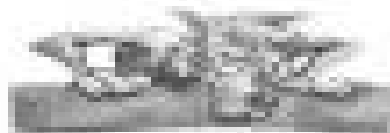

And the first little piggy, and the very first piggy,
 He goes, "I'll build a house, and a mansion of the city,
 And I'll make it of brick, the strongest of all."
 His neighbor, the second, he says to him,
 "I'll build a house of straw, the finest of the city,
 And I'll make it of straw, the strongest of all."
 And the third little piggy, the very last piggy,
 He says, "I'll build a house of wood, the finest of the city,
 And I'll make it of wood, the strongest of all."

Chorus
 Little Pig, Little Pig, let us see,
 How the first little piggy, the very first piggy,
 He goes, "I'll build a house, and a mansion of the city,
 And I'll make it of brick, the strongest of all."
 His neighbor, the second, he says to him,
 "I'll build a house of straw, the finest of the city,
