Dear Sammy, ← _____

I hope you are doing well. It has been so long since I met you but now summer vacations are going to be starting very soon and I just cannot wait to meet you. I am writing this letter to tell you that I will be visiting you in the first week of June with my mom to spend summers with you. I cannot tell you how excited I am to meet you and to play with you. There are so many things I have to tell you and there are so many good books that I have bought for you. This is the time for which I wait for the whole year.

I hope to see you very soon and make this summer time the best time for us. Cannot wait.
