# THE DESERT: K-W-L CHART

Before you start learning about the desert habitat and the adaptations of the animals that live there, brainstorm your ideas in the first two sections of the K-W-L chart.

**K - What I KNOW** about the desert habitat and the animals that live there.

**W - What I WANT** to know about the desert habitat and the animals that live there.

**L - What I LEARNED** about the desert habitat and the animals that live there.
